# What Achievers Have to Say

Hear directly from past NTCE top rankers and participants about their experience and how it helped them excel.

## Aarjav | AIR 1

BITS Pilani, Goa Campus  
NTCE 2024

"Thinkwonders proved to be a wonderful experience for me. The questions involved an optimal use of my mental faculties and actively discouraged rote learning. The skills learned in NTCE will go a long way in helping me in my professional career ahead. I am thankful to ThinkWonders for providing me with this opportunity."

## Anubhav Maity | AIR 2

IIT Roorkee,  
NTCE 2024

"Giving the NTCE exam was a challenging yet rewarding experience. Not only did it check my verbal ability but also my logical and numerical aptitude and also my general knowledge. The brainstorming questions required a good amount of thought and patience. Overall the exam not only helped me to improve my aptitude but also helped me to hone my time management skills."

## Srijita Bhattacharji | AIR 4

NIT Silchar,  
NTCE 2024

"Thinkwonders examination has been a unique experience. The paper helped me to gauge my verbal and reasoning skills besides testing my General Knowledge. It encompassed all kinds of assessments, and the time limit set for the paper definitely made it more challenging."

## S Vinod | AIR 5

IIT Jodhpur  
NTCE 2024

"Questions were very well made and challenging to attempt. I haven't seen aptitude questions this challenging ever before and I am sure this practice will help me in attending any similar questions in the future. Overall it was a fun experience and very efficient."

## Divya Pachbhai | Rank 1

NIT Nagpur  
NTCE 2022

"Thinkwonders has been a great platform that helped me explore my Verbal Ability, IQ, and general awareness skills through their exam. My experience through this exam was pretty amazing. Some questions were really brainstorming while others checked my general knowledge."

## Sarah Yerragudi | Rank 2

NIT Surat  
NTCE 2022

"It was a good experience writing TCE. The exam covered all models of questions which helped me in the assessments conducted during campus selections. The questions were pretty logical and thoughtful which made me think twice while answering them."

## Krishnakant Dawar | Rank 4

IIT - ISM Dhanbad, NTCE 2022

"It was an excellent experience writing TCE. Excellently covered with IQ questions. The exam will surely help me in time management in future competitions."

These testimonials highlight the value of the NTCE exam in developing critical skills for future success. Join them and share your own success story!
